Subject: AO Weeklies -- From AO staff offices

Ryan et.al.,

Here are the weeklies from the AO staff offices. Insofar as this is only the second report, I recognize we will have to provide some feedback and improve quality and uniformity over time. But you have to start somewhere. For now these are provide in "raw" form and we'll work with the SODs to meet the needs of the customers.

Reggie will handle this next week, as I will be out all week.

Thank you.
